

**The most beautiful
way to Sweden**

Welcome aboard

The Sweden specialists at TT-Line have been your reliable partner for transportation to Sweden since 1962. We have made it our mission to provide you with a comfortable start to your vacation, because your trip to Sweden begins with TT-Line.

Enjoy the most beautiful stretch of motorway across the Baltic Sea on board our Sweden ferries.

Your well-being on board is taken care of. Breathe in the fresh air of the Baltic Sea with a delicious drink on deck in the sun or enjoy a traditional Swedish fika in the on-board restaurant.

Exciting adventures await younger guests in the children's play area and your four-legged friend can let off steam on deck.

With TT-Line, your vacation already starts on board!

With the two new Green Ships, we at TT-Line are setting another milestone in our efforts to create an even more sustainable travel experience.

We can already look back on a long tradition that is characterized by permanent improvements in the environmental balance of ship operations.

Sustainable travel with TT-Line

We take responsibility

For TT-Line, as the market leader in transport to southern Sweden, sustainable action is the decisive factor for positioning ourselves successfully in the future. Would you also like to make your contribution to a sustainable future? Then you should plan your next trip to Sweden with TT-Line!

[Read more](#)

TT-Line for nature & environment

- ✓ Environmentally friendly technologies to reduce emissions and fuel consumption
- ✓ Conscious waste management and waste separation across the entire fleet
- ✓ Saving paper and resources by optimizing boarding passes
- ✓ Avoidance and reduction of disposable items, food waste, plastic, paper and water
- ✓ Biodegradable detergents

More sustainable shipping from 2024

Diverse environment through ETS certificates

To cover the additional costs for the purchase of EUAs (**European Union allowances**) and to support EU climate targets, TT-Line levies an ETS surcharge on freight and passengers. Thanks to your support, we are shaping sustainable and environmentally friendly shipping together.

ETS Surcharge per Route:

Trelleborg–Rostock / Trelleborg–Travemünde	3€*
Trelleborg–Świnoujście	3,50€*
Trelleborg–Klaipėda	7€*
Karlshamn–Klaipėda	10€*

* Subject to change

CO₂ compensation – Your contribution to a greener future!

TT-Line gives you the opportunity to reduce your ecological footprint. Add the additional component „LBG“ to your next booking and buy a share of liquefied biogas.

CO₂ compensation by route:

Trelleborg–Travemünde	22€*
Trelleborg–Rostock	19€*
Trelleborg–Świnoujście	21€*

* Subject to change

Our new green ships

We are innovative

The new pioneering ferries **Nils Holgersson** and **Peter Pan** are the most environmentally friendly ferries in the company's history and on the Baltic Sea. With a length of 230 meters and a width of 31 meters, both ships offer space for up to 800 passengers each.

[Read more](#)

The ferry experience on board

The new Green Ships offer our passengers a comfortable and sustainable ferry experience and the design of the public areas meets the entertainment and relaxation expectations of guests of all ages.

- ✓ Restaurant
- ✓ Cafeteria
- ✓ Coffee Lounge
- ✓ Sports Bar
- ✓ Family Lounge
- ✓ Children's play area
- ✓ Sun deck
- ✓ Trucker Restaurant
- ✓ Trucker Lounge
- ✓ Pet Lounge
- ✓ Shop
- ✓ Sauna
- ✓ Conference rooms

Our tip:

Would you like to take your electric car or motorhome on vacation in Sweden? No problem at all! On board our new Green Ships there are 32 charging stations and power connections. So you can continue your journey prepared after the crossing.

TT-Line fleet

Our ships

TT-Line's Sweden ferries offer comfortable facilities for a relaxing crossing and a relaxed start to your vacation.

Look forward to a wonderful view from our outside decks, relaxation in your cabin, culinary delights and entertainment for young and old.

Akka

Our comfortable Sweden ferry Akka has 220 cabins and offers space for around 700 passengers on a total of nine decks.

Tinker Bell

Our longest Swedish ferry was extended by 30 meters in 2018, increasing transport capacity and reducing emissions.

Robin Hood

Robin Hood has 163 cabins for over 350 passengers. Vehicle decks, cabins, our TT-Line store, a cafeteria, a casino and more are spread over nine decks.

Nils Dacke

There are three vehicle decks and three decks with cabins on board. On deck seven you will also find the cafeteria, the lounge and our TT-Line store.

Huckleberry Finn

The sister ship to Tom Sawyer offers space for 400 passengers on nine decks. On board are various cabins, a cafeteria, a lounge as well as our TT-Line store and a casino.

Tom Sawyer

The sister ship to Huckleberry Finn has space for 400 passengers and also has cabins, a cafeteria, a lounge and our TT-Line store on nine decks.

Marco Polo

Marco Polo was put into service between Trelleborg and Klaipėda in 2020 and mainly operates on this route. With space for 215 passengers, it is our smallest Swedish ferry.

On board

Enjoy and relax

Depending on the time of day, ferry and route, we serve you various meals to satisfy your appetite and a selection of drinks in our on-board restaurants, bars or lounges.

Free and unlimited WiFi is available on board our Sweden ferries.

This means you are always connected on your journey and can share your impressions of your trip directly with your loved ones.

TT-Line Shop

Use your free time on board for a stroll through our TT-Line shop. We have many different products in our range, such as Swedish sweets, perfumes, clothing, souvenirs and much more. There is something for everyone here!

[Read more](#)

Our tip:

Use the comfort packages from TT-Line

With our comfort packages you get a cabin on our day departures subject to availability and breakfast or lunch depending on the time of day as well as a soft drink per person at an unbeatable combined price!

Fun for children and family entertainment

A trip on the TT-Line Sweden ferries is an experience for young and old! While the little passengers let off steam in the children's play area, the grown-ups can enjoy the crossing with a Swedish fika or watch the children at play.

At our free children's entertainment in the summer months, they go from one adventure to the next. All little passengers are greeted with a great surprise as soon as they board the ship. Our children's entertainers know how to keep a lively crew happy.

On average, more than **60,000 children** under the age of 12 travel on board our Sweden ferries every year!

Pets are welcome

What's a vacation without your animal friend? Your pets are very welcome on board of TT-Line! Separate pet cabins and dog toilets are available on all our ferries. Nothing stands in the way of traveling together with your four-legged friend.

👉 Did you know that...

... **horses** regularly travel on our ferries between Germany and Sweden?

... in winter **sled** dogs on the way to Lapland can be found on board?

TT-Line transports an average of a total of **20,000 pets** per year!

Conferences on board Workshops? Team building? You've come to the right place!

Are you looking for a special conference location? We offer you sea view and plenty of distance from everyday stress and distractions on land. Whether it's an all-round carefree conference trip or a short conference cruise - come to our floating conference hotel and be surprised at how efficiently you can work on the high seas! Get in touch with us!

groupbooking@ttline.com

We offer you:

- ✓ Modern equipped meeting rooms
- ✓ Efficient work with sea view
- ✓ Uninterrupted high-speed internet
- ✓ Soft drinks included
- ✓ Coffee & tea in the conference room
- ✓ Fresh Baltic Sea air

Our offers:

- ✓ DAY & NIGHT CONFERENCE TRIPS - All inclusive
- ✓ 2 DAY CONFERENCE TRIP - with optional overnight stay in a hotel in Sweden
- ✓ SIMPLE CONFERENCE TRIPS - day conference on board
- ✓ MINI CONFERENCE TRIP - days from Travemünde to Rostock

We love Sweden

Experience unique Swedish moments with TT-Line

Sweden is one of the dream destinations in the north of Europe and not our favorite country for nothing!

With a mixture of vibrant life in the country's big cities and the untouched landscape with its numerous lakes, Sweden has something for everyone.

You can expect around 100,000 lakes, numerous rivers and over 3,200 kilometers of coastline with wide beaches. This makes Sweden a paradise for campers, families and nature lovers.

Välkommen onboard the Sweden Specialists

As your reliable and experienced partner in Swedish transportation, our heart has been beating Swedish since 1962! Your vacation begins on board with the Sweden specialists from TT-Line! Since we know the Nordic hospitality well, we design our public areas traditionally and typically Swedish. Immerse yourself in your vacation feeling! Did you know that in our restaurants and in the

TT-Line stores, Swedish products, specialties and special offers are marked with our SWEDEN LOVE seal?

Our Swedish offers on board:

- ✓ Traditional Swedish fika in the Panorama Bar or Lounge
- ✓ Seasonal Swedish delicacies in our on-board restaurants
- ✓ Swedish products such as chocolate and cookies in our TT-Line Shop
- ✓ Vacation souvenirs for young and old
- ✓ And much more about Swedish hospitality

Lithuania and the Baltic States

Our insider tip

The Baltic states of Lithuania, Latvia and Estonia stand for unspoiled landscapes and historic cities.

Not overcrowded and yet rich in cultural and scenic treasures, the Baltic states have been developing into a vacation insider tip for some time now.

[Read more](#)

Info about Lithuania

- ✓ **Capital:** Vilnius
- ✓ **Area:** approx. 65,300 km²
- ✓ **Population:** approx. 2.8 million
- ✓ **Currency:** Euro
- ✓ **Language:** Lithuanian

In the large forests you can pick berries, gather mushrooms and easily find peace and quiet in the wild nature. At the same time, around 3,000 natural lakes, rivers and the sea invite you to go kayaking, swimming and fishing. The capital Vilnius also fascinates with its extraordinary character. Mysterious courtyards, green parks and bars & restaurants are waiting to be discovered.

With TT-Line to Klaipėda

The port city of Klaipėda is the easternmost destination in the TT-Line route network and a good starting point for discovering the Baltic countries.

The terminal in Klaipėda, built exclusively for TT-Line, is perfectly connected to the road network. From there, you can reach Lithuania's capital Vilnius and Latvia's capital Riga in just under 3-4 hours by car. Plan your departure from Germany or Sweden to Klaipėda with TT-Line.

Thanks to several departures per week, you can enjoy a relaxed start to your vacation. From Travemünde or Rostock, you can easily get to Klaipėda with a short change of ships in Trelleborg. From Trelleborg, you have several options to travel directly to Klaipėda.

[Book now](#)

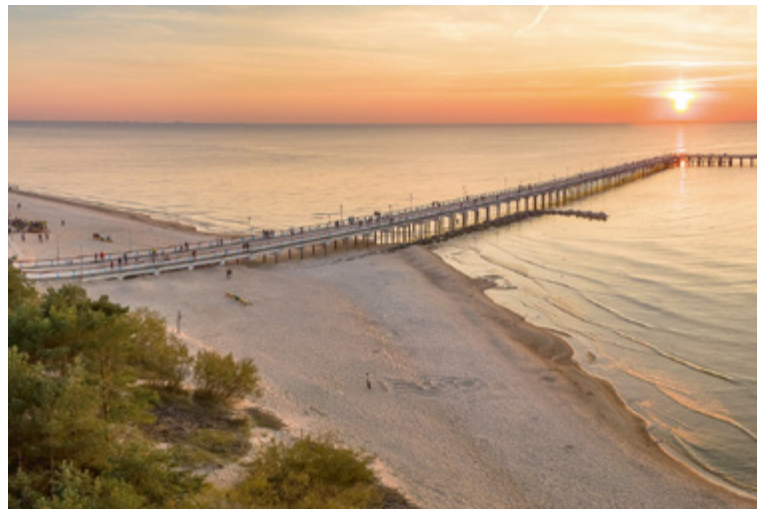

Wusstest Du schon, dass...

... the geographical center of Europe is located in Lithuania?

... with 250 meters Latvia is home to the widest waterfall in Europe?

... Estonia has more than 2,000 islands, making it a real bathing paradise?

Lithuania is a treasure trove just waiting to be discovered, especially for nature lovers. Travel with TT-Line on your discovery vacation to Lithuania.
