Please click each “Change” in the respective segment in order to change something in your booking. The segments “Cabins”, “Meals” etc. open by clicking onto the “+”-sign. Please note that you have to finish editing one segment before moving onto editing another segment. Do you want to rebook your departure? Please choose the new departure date, time and tariff.

The price of the changes is shown below.

Please observe that depending on the ticket type (tariff), a rebooking fee will be charged. This will be shown on the next step "Price breakdown".

We kindly ask you to observe that depending on the change, you may want to edit other segments as well: E.g. If you add a passenger make sure that you adjust pre-booked meals or the type of cabin. These segments are marked with a white warning sign.
