

How do I edit an existing booking?

Please click on the tab “My Bookings” to see the list of all your bookings, past and current.

The booking with the most current departure is displayed on top.

Please change the start date if you want to look at bookings prior to the date displayed.

The screenshot shows the TT-Line website's 'My Bookings' page. At the top, there is a navigation bar with the TT-Line logo, a hamburger menu, and the user's name 'Mustermann, Max' with a customer number '198684x'. Below the navigation bar, there are tabs for 'My TT-Line', 'My Bookings' (which is selected), 'My Online-Check-in', 'My Bonus Card', and 'My Profile'. A green button labeled '+ New booking' is located on the right side of the navigation bar. The main content area is titled 'My Bookings' and features a search filter section with three input fields: 'Booking number' (with the example 'e.g. 57816849'), 'Start date' (with the example '28/11/2018'), and 'End date' (with the example '28/03/2019'). A blue search button with a magnifying glass icon and the text 'Search' is positioned to the right of these fields. Below the search section is a table listing bookings with columns for 'Booking number', 'Route', 'Departure date & time', 'Status', and 'Details & Edit'. Each row includes an edit icon (pencil) in the 'Details & Edit' column.

Please click each “Change” in the respective segment in order to change something in your booking. The segments “Cabins”, “Meals” etc. open by clicking onto the “+”-sign. Please note that you have to finish editing one segment before moving onto editing another segment. Do you want to rebook your departure? Please choose the new departure date, time and tariff.

The price of the changes is shown below.

Please observe that depending on the ticket type (tariff), a rebooking fee will be charged. This will be shown on the next step "Price breakdown".

We kindly ask you to observe that depending on the change, you may want to edit other segments as well: E.g. If you add a passenger make sure that you adjust pre-booked meals or the type of cabin. These segments are marked with a white warning sign.
