1 Unit Pick-up

If you want to receive informations regarding the pick-up status of your unit, please click on „Unit Pick-up“.

2 Find your Unit

Easily select the Pick-up harbour and enter your Registration Number. Afterwards start the search to find your transport unit.

3 Ready for Pick-up

The tool shows all relevant information, such as the used departure, the arrival time of the ferry at the port and finally displays in the green box if the unit is ready for Pick-up. You can now pick-up the unit in the port. You can also see if your transport unit is not ready for pick-up yet.
