# Your way to the Hafenhaus – from 14 December 2025

Dear passengers,

From 14 December 2025 on, the bus connection to the Hafenhaus at the Skandinavienkai will be significantly improved! With the new Bus 50, you can reach the ferry terminal easily and regularly – directly from the Central Bus Station (ZOB) / Lübeck Main Station **A** as well as from the Lübeck-Kücknitz train stop (via Roter Hahn bus stop **B**).

## How to get to the Hafenhaus

### Monday to Friday

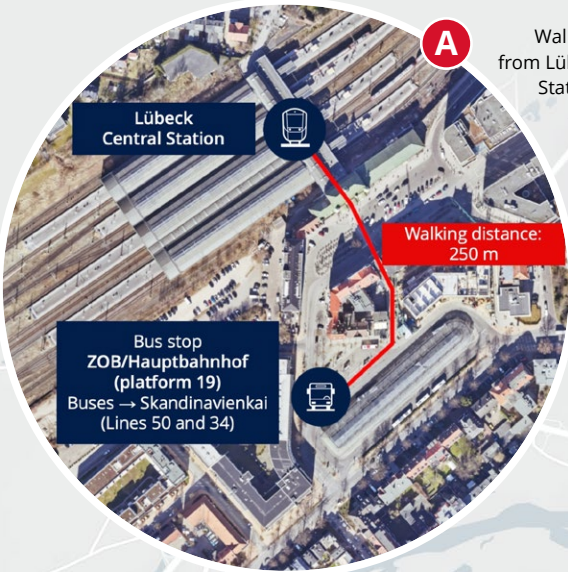

- During the day, the **new Line 50** runs **every 30 minutes** on the route ZOB/Main Station – Gustav-Radbruch-Platz – Solmitzstraße – Skandinavienkai Terminal (Hafenhaus), starting around 6:00 a.m.
- In the early morning and late evening, **shuttle trips of Line 50** operate between the Skandinavienkai Terminal (Hafenhaus) and the Roter Hahn bus stop (with connection to/from Line 34).

### Saturday

- Same service as Monday to Friday, with **direct Line 50** trips on the route ZOB/Main Station – Gustav-Radbruch-Platz – Solmitzstraße – Skandinavienkai Terminal (Hafenhaus) starting around 9:00 a.m.
- **Shuttle trips** between Roter Hahn and Hafenhaus also operate in the early and late hours.

### Sunday

- Direct connection via **Line 34** on the route ZOB – Gustav-Radbruch-Platz – Solmitzstraße – Skandinavienkai Terminal (Hafenhaus) every 60 minutes.
- **Shuttle trips of Line 50** between Roter Hahn and Hafenhaus also operate in the early and late hours (with connection to/from Line 34).

## For train passengers travelling to the ferry

From 14 December 2025, the **previous Line 36 bus connection** between the Lübeck-Travemünde Skandinavienkai train stop and the Hafenhaus **will no longer operate**.

**For passengers travelling from or towards Hamburg:**

We recommend changing trains at Lübeck-Kücknitz station, taking a short walk to the Roter Hahn bus stop, and continuing on Line 50 directly to the terminal.

**For passengers from other directions (e.g. from/to Kiel or Lüneburg):** You can board Line 50 directly at the ZOB/Main Station in Lübeck.

In the **early morning** and **late evening**, you can also travel via the ZOB/Main Station using Line 34 to Roter Hahn, then transfer to Line 50 to reach the terminal. Current timetables are available through the electronic journey planner provided by NAH.SH and Stadtwerke Lübeck Mobil, as well as in other common travel apps such as DB Navigator or Google Maps:

# Additional connection: Hafenhaus – Travemünde

In addition, the Hafenhaus will be served Monday to Friday during the day by Line 35, running every 30 minutes between the Hafenhaus and Travemünde. Line 35 connects all major destinations and key areas in Travemünde, providing attractive direct connections to and from the Hafenhaus between approximately 8:00 a.m. and 6:30 p.m.

At other times, Travemünde can be reached by changing at Lübeck-Kücknitz station (by train or with bus lines 30 and 40).

**We wish you a pleasant journey – and a smooth crossing!**
