

CHECK-IN AT

1. CHECK-IN MACHINES

Attention: You can only check-in on the check-in machines, when your journey is fully paid. Follow the signs in the port and drive to the TT-Line lanes for passenger vehicles with the blue check-in machines. Check-in easily out of your vehicle.

2. SELECT LANGUAGE

Select your preferred language by touching the screen.

3. SCAN

Scan the bar code of your booking confirmation (printed version or on mobile device) or enter your booking number via the keyboard manually.

4. PROOF

Check the displayed booking details once again.

5. CONFIRM

If necessary you are able to do changes to passenger names and registration number of vehicle. If requested you need to scan your machine-readable passport or ID card - keep it ready at any time. Please follow the instructions on the screen. When all provided data is correct, please confirm.

6. DOCUMENTS

Please wait until the printing process is finished and take all documents. Drive to the berth and lane, which is displayed on your boarding card. Wait for further instructions of the crew.

7. PRE-PRINTED FORMS IN PLACE?

Attention: In some cases, you have received pre-printed forms with your booking confirmation in advance with important information for the loading process. Please do not forget to print it out and put it behind your wind screen of your vehicle.
